Campmasters' Popcorn Update #1

All your popcorn news—hot off the cob!

The Campmasters Popcorn Sale starts next Friday—September 6! Be sure that your unit has kicked of its sale with an EXCITING and INFORMATIVE presentation to your families! If you did not attend your district kickoff, and/or if you did not receive your kickoff presentation materials, be sure to call your District Popcorn Chair today! Your Popcorn Chairs are:

Elk River:	Amanda Eads	304-610-1410	EadsGregre@aol.com

One of the key items in the popcorn sale is making sure that your families understand WHY this project is worth their time—the sales kit tools will help you convey that message. Money doesn't need to be an obstacle for any family in Scouts! With a successful Campmasters popcorn sale, every family will be able to participate in the greatest Scouting year possible!

Remember that, for the 2013 sale, we're tracking unit sales on a weekly basis! We'll be giving away prizes to both units and districts for various achievements, so be sure that your unit reports its sales progress to your District Kernel, and that your District Kernel reports your district progress to the Council Kernel! Prizes will be awarded for a mix of items, so be sure to report your 1) unit goal, 2) per-boy goal, 3) total sales to date, and 4) number of boys who have sold at least one item.

As always, you can find more information—and sales help—at www.campmasters.org!
