## 2014 Site Reservation Form

**EACH UNIT MUST SUBMIT THIS CAMP SITE RESERVATION FORM EVERY YEAR! Mail your form with the \$200.00 deposit ON OR after January 15<sup>th</sup>. Units will be placed in sites on a first come first served basis. This \$200.00 fee is non-refundable if your Troop does not attend camp! Your site reservation will be confirmed based upon the available space on March 15, 2014. If, for some reason, your unit has either fewer or more boys than appropriate for the campsite you've reserved, the administration reserves the right to assign your Troop to a site more compatible with your unit, and or place your unit with other units at camp.**

This application along with your \$200.00 payment is your agreement to attend Buckskin Scout Reservation for the 2014 Season. This Application also helps the Camp Director and staff prepare for the 2014 season. **All information including estimated number of Scouts and Adults must be submitted in order for your application to be processed!**
