

Buckskin Council Building Rental Procedures for COVID 19

1. Reserve the building or camp facility with the local Scout Service Center.
2. Each member participating in the activity should monitor and log their temperature daily for the five days leading up to the event. Please note that if any participant has had a temperature and or any of the symptoms associated with COVID 19 including fever or chills, cough, fatigue, loss of taste or smell, sore throat, congestion or runny nose, nausea, vomiting, or diarrhea they should not participate in the activity.
3. Unit Leaders are responsible for conducting a quick medical recheck prior to departure including a temperature check.
4. Upon arrival at the facility participants are encouraged to participate with their own group and not be in close contact with other groups at camp. Participants that have not been vaccinated will be required to wear masks when proper social distancing outdoors is not an option.
5. Participants are responsible for maintaining a sanitation schedule for the buildings that they occupy. All wipeable surfaces and heavily used areas should be sanitized 3 times a day with the cleaning supplies provided.
6. When a group is ready to leave camp all wipeable surfaces and heavily touched areas should be cleaned with the supplies provided. All trash, and food should be removed from the facility and disposed from at the onsite dumpster prior to departure. Please leave the facility cleaner than your group found it!

****** If anyone in your party becomes sick or needs medical attention please provide them with the needed medical care, and then call the Scout Service Center at 304-340-3663 with any additional information regarding the incident/sickness.
