POSTPONEMENT OF COUNCIL AND DISTRICT ACTIVITIES CONTINUES!
NOTE: ALL SCOUT SHOPS & WEHRLE SERVICE CENTER ARE CLOSED UNTIL GOVERNOR LIFTS THE STAY AT HOME ORDER!

The safety of Scouts, volunteers, employees and our communities is our top priority.

With safety in mind and based on guidance from national health officials, the Boy Scouts of America (BSA) is strongly advising that in-person meetings, activities, events and gatherings of 10 or more people be suspended through the end of March. Please also follow any restrictions outlined by your state and local health department or other state and local authorities. This applies to youth and adults out of an abundance of caution. Here are some things you can do –

- utilize available digital and online resources, such as video conferencing, to continue Scouting meetings, projects and advancement, adhering to the current youth protection guidelines already in place for digital communications. (i.e. 2 deep leadership in all communications)
- Follow BSA blogs and social channels, as well as #ScoutingAtHome, for great examples and ideas of how to continue Scouting.

We will continue to evaluate the ongoing situation and prioritize the safety of everyone involved in Scouting – youth, families, volunteers, employees and our communities – is our number one priority. We realize these decisions are not without their challenges, and we thank you for helping meet the needs of our communities in difficult times. The steps we are taking reinforce the many ways– big and small – that Scouting empowers character and leadership today and for generations to come.

- Roger C. Mosby
  President and CEO Boy Scouts of America

A Message from the Scout Executive

Dear Scouting Family,

This is certainly an unprecedented time. The Covid 19 virus has literally brought life as we know it to a standstill. At the writing of this newsletter article, it is unclear how long activities like Scouting will need to be curtailed. The most important thing right now is that our Scouting family can remain as safe and healthy as possible.

So, all I can say at this point is first, please take every precaution our health care professionals are telling us to do. Second, please look for an email blast and on our web site www.Buckskin.org for further information on when council and district activities can resume. When it comes to your unit, use good judgement and follow the recommendation from our leaders.

At our Scout shops and Scout Service Center, we will do what is best for everyone one. Please do the same for you and yours.

Good Scouting,

Jeffrey L. Purdy
Scout Executive

SPECIAL THANKS
Volunteers are the heart of Scouting and in the Buckskin Council we have a group who quietly serve you by making sure the newsletters and other key communications are prepared, labeled and mailed. It is important to let our leaders know who these folks are so you can thank them when you see them.

The person who leads the charge is Bonnie Starling! March Courier helpers were Art Altman, Phil Gaarenstroom, Grace Tolbert, Carleton Starr and Bill Evans. We always look forward to seeing these volunteers in the council office. The Newsletter is folded on the last Tuesday of each month, between August and May, starting around 8:30 am and ending around noon. If you would like to join this great group of people, call the Scout Service Center at 304-340-3663 and let us know. We would greatly appreciate your help!!!!

PARTICIPANT AND JST REGISTRATION IS OPEN

To date, 27 scouts and scouts have registered for the 2021 National Scout Jamboree. Of these, 18 are youth participants, 4 are adult participant registrants and 5 have registered for the Jamboree Service Team (JST).

YOUTH AND ADULT PARTICIPANTS
Scouting’s flagship event is one-of-a-kind. It’s a gathering of tens of thousands of Scouts, leaders, and Jamboree Service Team members that showcases everything that is great about the Boy Scouts of America. Over the course of 10 summer days, once every four years, the Boy Scouts of America gathers together. Scouts and Scouters who attend will explore all kinds of adventures—stadium shows, pioneer village, Mount Jack hikes, adventure sports and more—in the heart of one of nature’s greatest playgrounds. With 10,000 acres at the Summit to explore, there’s no shortage of opportunities to build Scouting memories.

Buckskin Council is planning to send three troops to the 21 NSJ. Two of these troops will be male and the third troop will be female. The sooner scouts register for the Jamboree, the more time they will have to raise the money to cover the Buckskin Council Jamboree registration fee of $1,500 per person. This fee includes the NSJ fee of $1,175 and the Council costs for transportation, shake-down campouts, and other items the Council needs to supply to the contingent. So far, all the participants who have registered are male. So, ladies, now is the time to make a decision about attending the most unique Scouting event arranged by the BSA. Adult females are also needed to lead this female troop.

Complete qualifications for Jamboree participants can be found at the website jamboree.scouting.org. Youth applicants must be at least 12 years old by the start of the Jamboree. All applicants must have a My.Scouting account with their current BSA membership number linked to the account in order to access the online application.

SCHOLARSHIPS
NSJ has announced that there are some funds available for youth scholarships. These scholarships will be awarded based on need. The maximum scholarship amount would be 50% of the NSJ fee. Youth participants must register and apply for a scholarship by April 30, 2020. NSJ expects to announce the award of scholarships by June 30, 2020.

Check buckskin.org for updates.
A scout is seen as a beacon of light. While doing our Duty to Country and abiding by the CDC’s recommendations, we can still give back to our community.

Think of creative ways to continue to “meet” that also meets the CDC standards. Such as creating a Discord account where you can have virtual meetings, or the SPL issuing various challenges on your typical meeting day. These challenges could be things like gather 10 essentials and send a pic, the first to do so wins. Or send pics of 4 knots in useful practices. Use your imagination and ask for ideas from your group!

Think of ways to do your good turns. For example, in many communities the American Red Cross has had to cancel all their blood drives. Check your local Red Cross’ guidelines and call them to confirm available hours. Send emails and texts to friends, family, and neighbors encouraging them to help the blood shortage. Go donate.

Writing letters and/or making cards to send to the elderly and shut-ins who are currently not allowed visitors as they are at extreme high risk can bolster mental attitudes and morale...and remember others nationally!

Take baked goods or packaged snacks to your local medical facilities or community professionals who cannot work from home during this crisis can be a real morale boost as well.

We need to continue to Scout even in the midst of all the chaos. Just checking in regularly can help others AND your own seclusion and morale.

Furthermore....

Many still believe it to be a media hoax... with their head stuck in the ground. Those are the careless who do not follow the guidelines in many cases...so do your research with the OFFICIAL CDC sites with the Information and not the social sites for FACTS.

Use your time to work on advancement for rank or job, take your training courses online, do Genealogy, scrapbook updating, crafting, painting or remodeling, sewing, making next Christmas’ presents, learn something new, clean the areas that need attention & (for heaven’s sake) prepare your food storage to survive without going out! Remember water storage....google for guidance or ask me!!! As emergency preparedness specialist here in Beckley I have resources to share for data!

Be kind to one another...be patient with yourself and others...share cheer and encouragement! Be safe...and wash after opening mail, wash fresh produce thoroughly others may have touched (including outside of packaged items) and use paper towels or gloves to touch keypads for fuel, cash or paying for food. Wash well when you get home...normal laundry soaps work fine on clothing. Remember to clean vehicle handles, steering wheel and gear shift if hands were touching other things.

Elbow bump greetings are too close...as minimum of 6-10 feet is advised. If sick WEAR any medical mask or long scarf to avoid coughing or sneezing outward.... or better....STAY HOME and drink lots of water!! Remember it takes 2 weeks to know.

No more than 10 people are now advised...

And send ONE to do the shopping if you must do so, as it is easier to decontaminate ONE family member when they return. The virus IS HERE in WV.....just no positive tests (where testing is extremely sparse).

Remember: TAKE TRAINING COURSES ONLINE while you have all this time at home!

Ask to do so with someone else if you don’t have internet at home!

If I can help....email me at DesignsbyCarol@gmail.com

Message From Your Vice Chief
Hello, I’m Charles Boston, I’ll be your new Program Vice Chief for the upcoming year. I attend Parkersburg High School; as a junior and I’m an active member of the PHS Big Red Band. Some of my plans for this is to shape and plan the events to be the most fun for every Arrowmen that attends, I want to have fun engaging activities, and hard service work to help our camps. My number one goal though is to deliver the most fun and safe program for all Arrowmen and to include as many Arrowmen as possible.

Chapters
Reminder! Chapters and it’s members need to be focused on doing unit elections, we need to bring great scouts into our brotherhood. Think about how important your lodge and chapter are to you. Wouldn’t you want to encourage your fellow scout members in your troop to be a part of The Order of the Arrow and experience all the great events we have. This can’t be done if we are not meeting troops and encourage scouts to request OA elections. We urge everyone to make contacts and work to get every unit in our Council a OA election if they have eligible scouts.

COVID-19 FAQ In-Person Unit Activities

Q: Should we hold in-person Scouting meetings, outings, or activities?

With safety in mind and based on guidance from national health officials, the Boy Scouts of America (BSA) is strongly advising that in-person meetings, activities, events and gatherings of 10 or more people be suspended through the end of March. This applies to youth and adults out of an abundance of caution. Please also follow any restrictions outlined by your state and local health department or other local officials.

Q: How can advancement be tracked remotely?

Scouting units should use Scoutbook to record and track advancement.

To track advancement remotely, parents should:

Connect with their child's member profile via an invitation that the unit leader sends within Scoutbook. You may also connect to your youth via the Scouting app “Add a Parent connection.”

Once a connection is made, the parent should use the Scouting app, found in both the App Store and on Google Play, to stay connected with their unit.

The Scouting app provides parents the ability to report any advancement that was completed at home. Learn more about how at Scoutbook.com.

Q: If my den is behind in advancement due to COVID-19, can my Cub Scout continue to work on advancement through the summer?

Yes. Cub Scouts can continue to work on their current den’s advancement through July 31, 2020. This is to provide any additional time a Cub Scout needs to complete their badge of rank; if they earn their badge of rank prior to July 31, 2020, they may advance to the next rank.

Q: May merit badge requirements or rank requirements be modified?

No. All requirements must be completed as written. If meetings or activities are canceled or limited, youth should continue to work on requirements as far as possible. By employing common sense and creative solutions, many requirements—even Scoutmaster conferences—can be fulfilled through videoconferencing or telephone calls.

Q: Can merit badge counseling or Nova/Supernova counseling be done using digital technologies like Zoom or WebEx?

Yes, registered merit badge counselors or Nova counselors/Supernova mentors may work with youth using digital platforms, ensuring that all youth protection measures noted in the Guide to Safe Scouting and BSA’s social media guidelines are in place. In addition to youth protection, the advancement guidelines in Guide to Advancement (GTA) Section 7 are required.

Q: How can a youth continue to work on advancement requirements if they don’t have internet or high-speed internet for videoconferencing?

Youth may take a picture of their completed activity/requirement and share the work with unit leaders. In keeping with Youth Protection Training policies, all communications from youth should be sent to at least two adults. Parents or guardians may send advancement work on behalf of their child.

BALOO is intended for new Cub Scout leaders or parent volunteers who have minimal camping experience but want to plan and carry out entry level outdoor experiences for the pack. The format for this training is an outdoor camping adventure. The course is designed to address a wide variety of topics which need to be considered when preparing for a Cub Scout outdoor activity. Some of the topics include Aims & Purposes, Planning, Campfire, Health & Safety, Equipment, Cooking, program ideas, and more.

Prior to taking the practical component, participants must have completed the online component. Both the online and the practical, must be completed in order to fulfill the “BALOO Trained” status. In the event the online component is not completed prior to the practical, the trained status is withheld until both components are successfully completed. The online portion is available through the BSA LearnCenter. Log onto my.scouting.org and select the BSA LearnCenter image on the right side of the home page.

The next course will be May 1-2 at Camp Arrowhead. Check-in begins Friday at 6:30pm. All participants are expected to arrive by 7:00pm. The course is planned to conclude by 6:30pm on Saturday. The course is $18.00 per person. This covers course material, cracker barrel on Friday night, along with breakfast and lunch on Saturday.

What is IOLS?  The Introduction to Outdoor Leader Skills (IOLS) course builds and expands on the concepts and themes introduced in Scoutmaster Positions-Specific Training and Varsity Coach Position-Specific Training, and provides Scouters with the confidence to take youth into the outdoors.

➢ Gives adult leaders a practical introduction to the patrol method of a boy-led troop by teaching many of the practical outdoor skills they need to lead scouts in the out-of-doors. In addition, the teaching methods, activities, and games model the variety of teaching used in effective and engaging Scouting programs.
➢ Hands-on participation is the best learning tool, and this course models the techniques used by effective Scoutmasters, and other leaders in the Scouting program. Attendees will see and experience different aspects of how Scouting works while playing the role of Scouts in a troop.
➢ Participants will leave the training experience with a full understanding of how the patrol method operates, a feeling of comfort in working with the instructing their Scouts, and an increased level of confidence taking Scouts outdoors safely.

What is covered in IOLS?  The course is designed to address a wide variety of topics such as Outdoor Ethics, Cooking, Fire Site Preparation & Building, Campfire Program, Interfaith Worship, Flag Ceremony and more.

What is the cost to attend?  The course is $20.00 per person. This covers course material, cracker barrel on Friday night, along with breakfast and lunch on Saturday.

When is IOLS training?  The next course will be May 1-2, 2020 at Camp Arrowhead. Check-in begins Friday at 6:00 pm. All participants are expected to arrive by 7:00pm. The course is planned to conclude by 5:00 pm on Saturday.

BACKGROUND CHECK
DISCLOSURE

A consumer report is a background check in which information (which may include, but is not limited to, criminal background, driving background, character, general reputation, personal characteristics, and mode of living) about you is gathered and communicated by a consumer reporting agency ("CRA") to Boy Scouts of America and/or its subsidiaries, affiliates, other related entities, successors, and/or assigns (the "Company").

Company may obtain a consumer report on you to be used for employment purposes (in your case, this means for the purpose of evaluating you as a new or existing volunteer).
CALIFORNIA
STATE LAW DISCLOSURES
(Non-Credit)

Under California law, an “investigative consumer report” is a consumer report in which information on a consumer’s character, general reputation, personal characteristics, or mode of living is obtained through any means. Boy Scouts of America and/or its subsidiaries, affiliates, other related entities, successors, and/or assigns (the “Company”) may obtain an investigative consumer report (which may include information described above) from an investigative consumer reporting agency (“ICRA”) on you in connection with your status as a volunteer (i.e., for employment purposes under California law). The nature and scope of this investigation includes your character, general reputation, personal characteristics, or mode of living information, including criminal history, presence on exclusion lists (e.g. OIG/GSA and OFAC), driving record, references, education history, work history, and licensure/certifications.

The ICRA preparing the investigative consumer report and conducting the investigation will be First Advantage, P.O. Box 105292, Atlanta, GA 30348, 800-845-6004. Information regarding First Advantage’s privacy practices can be found at https://fadv.com/privacy-policy/.

Under California Civil Code section 1786.22, you are entitled to a visual inspection of files maintained on you by an ICRA, as follows:

1. In person, if you appear in person and furnish proper identification, during normal business hours and on reasonable notice. A copy of your file shall also be available to you for a fee not to exceed the actual costs of duplication services provided;

2. By certified mail, if you make a written request, with proper identification, for copies to be sent to a specified addressee. An ICRA complying with requests for certified mailings under California Civil Code section 1786.22 shall not be liable for disclosures to third parties caused by mishandling of mail after such mailings leave the ICRA;

3. A summary of all information contained in your files and required to be provided by California Civil Code section 1786.10 shall be provided to you by telephone, if you have made a written request, with proper identification for telephone disclosure, and the toll charges, if any, for the telephone call are prepaid by you or charged directly to you.

“Proper Identification,” as used above, means information generally deemed sufficient to identify you, which includes documents such as a valid driver’s license, social security account number, military identification card, and credit cards. Only if you cannot identify yourself with such information may the ICRA require additional information concerning your employment and personal or family history in order to verify your identity.

The ICRA will provide trained personnel to explain any information furnished to you pursuant to California Civil Code section 1786.10 and will provide a written explanation of any coded information contained in files maintained on you. This written explanation will be provided whenever a file is provided to you for visual inspection under California Civil Code section 1786.22.

You may be accompanied by one other person of your choosing, who must furnish reasonable identification. An ICRA may require you to furnish a written statement granting permission to the ICRA to discuss your file in such person’s presence.
