Country Meats

Show and Sell Order Form

How many of each flavor would you like to start with? Order by the case but don't order any more than what you sold last year. The Council Sales Team will review your selections and make the final recommendation. **Country Meats has a relatively quick turnaround so you can place multiple replenishment orders throughout the sale if necessary.**

Remember: You can return partial cases to the Council at no cost if the multipacks are unopened and in sellable condition. You cannot return partial multipacks; units will be responsible for any individual sticks they cannot sell.

Original Smoked Hickory: _____ cases

Sweet BBQ: _____ cases

Each pack retails for \$10 (equivalent of \$2/stick)

Please return to: Buckskin Council
